

Annual General Meeting Proposal Form

Crawley Pool League 2017/2018

**Submission deadline date:
Saturday 31st December 2016**

Name: Committee	Team:	Date: 31.12.2016
-----------------	-------	------------------

Proposal	Reason	Benefit
<p>1. Combine Winter & Summer League Committees and merge to a single annually managed structure.</p>	<p>Split administration and not fully voted committee members.</p> <p>Attracting sponsorship becoming harder each year.</p> <p>Inconsistent approach to managing the leagues.</p>	<p>Ensure appointed committee throughout.</p> <p>Single constitution to incorporate separate formats.</p> <p>Single annual sponsorship & venue commitment.</p> <p>See attached document.</p>
<p>2. Re-word constitution 14.2</p>	<p>Unclear wording</p>	<p>2. New teams who have entered the League in the lowest division because they have less than 5 players from a team from the previous season may not, at a later date, register other players from that previous team.</p>
<p>3. Remove 14.1 of the constitution and add new wording to accommodate members feedback around new teams formed.</p>	<p>Members have asked about new teams being created to start in lower divisions purely to start at the bottom but all players made up from higher division.</p> <p>This results in the lower division not having a fair chance within that division for that season.</p> <p>Wording would then be incorrect in below:</p> <p>14. NEW TEAMS 1. All new teams must start in the lowest division of the League.</p> <p>If new wording for 14.3 approved</p>	<p>Introduce wording 14.3:</p> <p>3. The divisions will be set according to the teams entered each season as set out in the current rules in section 18 of the constitution but, at the discretion of the Committee, a team may be entered into a higher division if it is deemed beneficial to the Crawley Pool league. For example: a new team made up of at least 5 players from a single division (same team or not) in the previous season, and where those players would have remained in that division, may be placed into a division deemed more appropriate if there is available space in that division. Any decision in this regard will be voted upon by the Committee.</p>

Crawley Pool League Structure Proposal 2017

Current Structure:

Crawley Pool League is currently split into 2 seasons, Winter (October to April) & Summer (May to September). These are managed by 2 committees, one committee is fully member appointed, the second is committee appointed.

Winter Season

Winter season is fully supported through the voted-in constitution and consists of a maximum number of teams (36), up to 15 players per team playing across 3 divisions, 22 league matches, 13 frames per match, single point per frame won.

Sponsorship is attracted for each season and is currently (2016/2017) at a value £1700.

Registration is £100.00 per team (£3600).

Presentation night sees trophies issued around £1200, prize money around £2500, Stationery & Admin costs £250, Honorariums £800.

Summer Season

Summer season carries its own constitution, delivered by the Summer Committee, maximum number of teams 40, up to 10 players per team playing across 4 divisions, 18 league matches, 5 matches per night (best of 3), single point per frame won.

Sponsorship is attracted for each season and is currently (2016) at a value £1500.
